There is more Catarrh in this section of the  
country than in other places put together, and  
until the last few years was supposed to be incur-  
able. For a great many years doctors pronounced  
it a local disease and prescribed local remedies,  
and by constantly failing to cure with local treat-  
ment, pronounced it incurable. Science has  
proven Catarrh to be a constitutional disease and  
therefore requires constitutional treatment. Hall's  
Catarrh Cure, manufactured by F. J. Cheney &  
Co., Toledo, O., is the only constitutional cure on  
the market. It is taken internally in doses from  
10 drops to a teaspoonful. It acts directly on the

The Longer You Know Them the Better You Like Them

Doan's Kidney Pills never fail you.

Maysville people know this.

Read how Doan's stood the test

For three years.

It's local testimony and can be investigated:

William H. Paul, 333 East Third street,

Maysville, Ky., says:

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon gave me relief. I cheerfully recommend this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1905, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been permanent and I am now in good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

### Failed in Health

"My mother died six years ago," writes Miss Ruth Ward, of Jerseyville, Ill., "and left me to care for six children. I had never been strong; and this, with the shock of her death, was too much for me.

"I failed in health. I was tired all the time and did not want to go anywhere, nor care for company. I had the headache all the time and such bearing-down pains.

"A very dear friend advised me to take Cardui, as it had done her so much good, so I commenced to use it and now I am in good health."

## Take CARDUI

### The Woman's Tonic

Women's pains are relieved or prevented and women's strength is quickly restored, by Cardui, the woman's tonic. You yourself know best if you need it, or not.

If you do need it, do not delay, but commence to use it at once. Every day of delay, only lets you slide further down the hill.

Don't wait, then, but begin to take Cardui today, for its use, no matter how prolonged, cannot harm you and will surely do you good.

The success of these sales is due to their liberal advertising and giving the people the goods as advertised. Mr. Merz assured the Editor of this paper that their firm was going to save every customer on every dollar they spend enough to buy a good healthy spring chicken. If you like chickens you had better be there.

## When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about women's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers, in handsome cloth-binding, 31 stamps.

Mrs. Thomas and Miss Lily May Vogel and Miss Minnie Thomas are visiting in Fleming county and other points, and expect to stay for Ruggles Campmeeting.

Rev. W. H. Davenport and Mr. J. C. Simons were at Ewing yesterday to meet the Official Board of the M. E. Church relative to building a new Church. Messrs. Harding & Simons were awarded the contract and will rush the work to completion. Work on the foundation will begin at once.

## NARROW ESCAPE.

William, the ten-year-old son of Mrs. C. W. Forman of the Kenton Station neighborhood, escaped death by a narrow margin yesterday afternoon about 2 o'clock.

The little fellow was watching a colored man on the place operating a two-horse hay mower. The horses suddenly and unexpectedly started up while the boy was in front of the machine and he was caught and wounded in a painful manner—the tendon of his right leg being severed and a deep, long wound inflicted. Drs. A. O. Taylor and W. S. Yazell were hastily summoned from this city and the little sufferer given medical and surgical attention. That his leg was not cut off and probable fatal injuries averted was due to the prompt action of the colored man in stopping the horses as quickly as he did.
